FRASER HEALTH AUTHORITY HEALTH INFORMATICS OFFICE

ABOUT THIS PROJECT

- + Renovation of existing commercial retail space into a secure office unit.
- + Accommodates 180 staff across approx. 20,000 square feet of space.
- + Designed the space as an extension of the head office located within the mall / podium complex.
- + Included reception, a copy room, meeting rooms, a cafe, lab/storage spaces, training rooms, a communications room, workstations, collaboration areas, phone rooms, printer areas, file areas, coat rooms, and new washrooms.
- + Prioritized flexibility and scalability in the mechanical and electrical design of these “neighbourhood” spaces.
- + Mechanical and electrical systems comply with the required Fraser Health Authority Standards.
- + Communication design required complex coordination with Fraser Health Authority network services.
